Owen Fiddler

Marvin D. Wilson

When you are at your lowest, sometimes you need a 'reality check' or a 'vision from beyond' to guide your way. That is exactly what Owen Fiddler needed to turn his life around. His life was at one point meaningful with a wife and young daughter but he messed that up. It wasn't until one **greedy** moment, one heartbreaking incident that changed Owen forever. Even if you are a non-believer as I was, you will be touched by reading this book which I highly recommend.
