Journeys of the Soul by Mary Allison Muhammad is a collection of soulful poems that are meant to touch the heart of anyone who reads them. As I read through her poetry, I am touched how open she is with her words. While all her poems are beautifully written, there are a few that deeply affect me. 'The

Love of You' brought me a deeper love of writing. 'Useless' shows how everything has a purpose. 'Missing in Action' hits close to what is happening today. Gunfire, parents dying, kids abandoned. No love existing in the family, no love, no happiness. Mary captures what we all want to say out loud, what we feel in our hearts. Every word, every thought a wonderful journey.

Good to hear from you, Maggie
