STAND AGAIN, OH WEARY SOUL

The Poetic Emotions of TS Wilkins

Reviewed by Angelia C. Menchan

Young Ms. Wilkins may have only lived a couple of decades but her poetry speaks of years of longing, some pain and the always elusive desire for love. There is a lyrical quality to her poetry that saves even the heaviest poems from seeming dark, allowing the reader to feel hopeful. I truly enjoyed the honesty and range of the poems and actually read through them twice. I especially loved the poem, 'Why I Write'. It spoke to all writers. TS Wilkins has a promising future as a POET with range and emotion. Great Job!
