Reflections of a Mississippi Magnolia by Patricia Neely-Dorsey is a 90 page book of poetry published by Grant House Publishers, LLC.

From the very first poem "Southern Life" Ms. Dorsey transfers the reader to an avidly descriptive barbecue with nature's goodness all around. She invites the reader to enjoy southern hospitalities and delicacies making the reader feel as though they are there walking amongst

the Magnolias.

Each poem in Reflections of a Mississippi Magnolia shows the reader the love for the simple southern life, family, and faith that the author holds dear.

I suggest this book for a nice leisurely day sitting on the front porch swing. It was an excellent book of poetry and I hope Ms. Dorsey continues to write and perhaps have another book of poetry available someday for her followers.
